After School Activities

Nurturing young minds

At **KID'S HUB SCHOOL** we aspire to witness the many **FIRSTS** that your child will accomplish, be it their first time away from home, their first school performance or their first attempt at reading. Keeping this in mind we have created an environment where the little ones feel safe and are free to explore the wonderful learning habitats, an environment which is conducive to growth and the all-round development of the child, nurturing all aspects of the personality physical, intellectual, linguistic, emotional, social, psychological and spiritual.

Our thematic and age appropriate curriculum encourages children to build on their emerging skills which include language, literacy and numeracy along with a generous dose of creativity.

Varied activities provide children with an opportunity to exercise imagination and creativity as they engage in Art & Craft, Pretend Play, Yoga, Sports, Dance, Sandpit and Outdoor Games. Key skills that the children develop are confidence and self esteem as they build connect and interact with peers and adults. Collaborative activities encourage children to work together as they develop skills of sharing and caring, thus laying a firm foundation for the years to come.

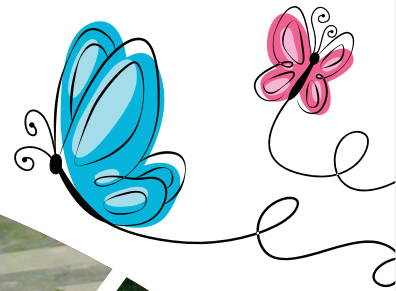

In addition to the core curriculum there is a strong focus on the cultural and spiritual aspect too. Class trips and extracurricular activities enrich and support children in their learning journey.

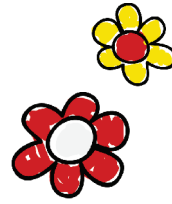

KID'S HUB PLAYSCHOOL, BIJWASAN

- ❖ A sprawling campus built on 3000 SQ. FT for children to run, play and grow amidst lush green gardens and specifically designed *indoor* areas.
- ❖ Smart classrooms that are spacious with a strong focus on aesthetics.
- ❖ All classrooms are flooded with light and a green view to stimulate long-distance vision.
- ❖ Learning by doing - where children are encouraged to explore and enrich themselves.
- ❖ Learn while you play because authentic learning is imbibed seamlessly and is relevant to the lives of children. It makes them responsive and responsible.
- ❖ Sahaj Yoga - Sahaj yoga is the simplest form of meditation which proposes to connect children with nature and the environment around them for their holistic development.
- ❖ Music sessions and rhyme time encourage children to develop auditory and language skills.
- ❖ *Kid's Hub Play School* has tied up with *some* health care to provide State-of-the-art infirmary services to take care of children in case of illness/emergency.
- ❖ Well-trained female *staff*, CCTV cameras & child safe switches ensure a safe, healthy and secure environment.

Our Teachers

All our teachers are trained and are early education specialists. They have undergone intensive training and are specialists in this field. Our teachers excel in class planning and execution, identifying individual learning patterns and catering to different learning levels in the same class.

Our optimal student-teacher ratio allows closer interactions between students and teachers and simultaneously creates a lively intellectual environment.

After School Activities

After School Activities We offer ample space to play, learn and enjoy after the school hours, ensuring that children look forward to their *Quality* time.

Visit us

We know that a phone call or a visit to our website can't capture the feeling of walking into our campus and seeing it by yourself. We would be happy to meet with you and your child to discuss our admission process and show you around our campus.

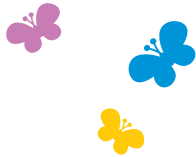

ABOUT KID'S HUB GROUP

KID'S HUB PLAY SCHOOL, BIJWASAN is an initiative of NexXen Education Trust - a renowned name synonymous with success.

OUR SCHOOLS

KID'S HUB PLAY SCHOOL, BIJWASAN Our kindergarten school is dedicated to providing a safe and nurturing environment for young children to learn and grow. Our experienced teachers use a variety of teaching methods to engage students and help them develop the skills they need for success in school and in life. We offer a wide range of activities, including art, music, physical education, and hands-on learning experiences, to help children learn and explore in a fun and stimulating way. Our classrooms are designed with children in mind, with bright colors and child-friendly and inviting atmosphere. We believe that every child is unique and we strive to meet the individual needs of each child. We encourage parents to be actively involved in their child's education and welcome feedback on our programs and services. We are committed to providing a high-quality education that prepares children for success in school and beyond.
